The Yakima River and all other places benefited under the authority of the Washington Water Trust Act.
The purpose of the donation is to benefit instream flow in the Yakima River between the Moxee-Hubbard point of diversion and the diversion at Parker Dam, from April 14 through October 31.

7. Remarks and Other Relevant Information:

Water users of the Selah-Moxee Irrigation District will reduce diversions from the Yakima River at the Moxee-Hubbard point of diversion by 7,500 acre-feet. The District has implemented a water conservation program to reduce water consumption. Three canals have been consolidated under single management. Ten (10) miles of canals have been lined. New measurement equipment has been installed. Several miles of the lower end of the canal have been piped. Farmers have converted over 4,310 acres to drip irrigation. Some lands have been idled. See attached memo for additional information. This application seeks an extension of the 2009 and 2010 donations to the Washington State Trust Water Right Program under Temporary Trust Water Right number CS4-01651CTCL@5.

Certain applications may incur a Real Estate Excise Tax liability for the seller of the water rights. The Department of Revenue has requested notification of potential taxable water right related actions and therefore may be provided with a copy of this request.

Please contact the State Department of Revenue for further information. The phone number is (360) 570-3265. The address is: Department of Revenue, Real Estate Excise Tax, PO Box 47477, Olympia, WA 98504-7477.
